Biltmore Estates (North Carolina)
The Delta Queen Riverboat Cruise
Connecticut Master Gardeners' Conference
Tulsa, OK Garden Center
Callaway Gardens Winter Symposium
Ohio Master Gardeners Conference

“ As Program Chair for one of the largest garden clubs in Florida, it's my responsibility to be absolutely sure that all our speakers are top notch. Before engaging any proposed speaker, I check each and every reference—so thoroughly that I sometimes feel I have already met some speakers before I actually do. The people I contacted about Pat Stone could not stop raving about his program and stage presence. We were not disappointed. The members of the Boca Grande Garden Club were often moved to laughter and occasionally to tears during Pat's one-hour presentation. Not one person could take her eyes off him—no one wanted to miss a single word or song. Pat Stone was by far the most engaging speaker we have ever had here. We have had many wonderful and knowledgeable speakers, but no one else has received the stand-up ovation that he did. We all highly recommend him!

Nora Lea Reefe, Program Chair, Boca Grande Garden Club, Boca Grande, FL.
